The Takaful Rendezvous 2013

11-12 November 2013, Grand Hyatt, Kuala Lumpur, Malaysia

This new Rendezvous will offer takaful operators a direct chance to take stock of the strong global developments in takaful and meet retakaful operators with a view to evaluating their retakaful arrangements to see if they are getting the best out of these deals. The Rendezvous even comes with a Retakaful Clinic where takaful operators get a chance of free advice and audit of their arrangements with no strings attached, plus plentiful opportunities for bilateral meetings with their most-favoured business partners and others.

The Rendezvous will have two full mornings of presentations on the strength and future of the industry, with ample opportunities for business networking ahead of the January renewal season.

With the theme, “*Using Retakaful to Grow your Business*”, this Rendezvous will emphasise retakaful as a strategic enabler for the expansion of takaful as the industry seeks to manage diverse risks efficiently.
