13th Asian Insurance CFO Summit 2019

Theme: "IFRS 17 - the Real Business Issues "

The CFO of today will look very different from the CFO of tomorrow! The existing roles of CFO holding the financial fort, being the key drivers of growth, and the financial goalpost for the whole business is no longer enough.

The new normal of digital, innovation, insurtechs will be the next revolution. New insurance accounting standards are on the horizon -

IFRS 17 is set to change the whole mindset of insurance accounting from the last 20 years. How can CFOs evolve? What constitutes the new CFO vision? What are the new priorities?

The unstable and fast-changing economic environment will definitely make the role of CFOs more challenging. Join us at the 13th Asian Insurance CFO Summit 2019 to find out how to prepare for the challenges ahead.
